STATEMENT

DATE: 2015/5/14

TO WHOM IT MAY CONCERN,

"STRiDA" series folding bicycles are manufactured by MING CYCLE IND. CO., LTD. and are sold all over the world. The registration of the trademark "STRiDA" has been approved in many countries around the world, the products related to "STRiDA" have obtained patent right in many countries, and such intellectual property rights are legal. In order to protect the rights of our company, customers and distributors, if we find the "STRiDA" series folding bicycles which are manufactured by other companies, we'll file infringement lawsuits against those companies according to laws and regulations of their countries. We hereby specially declare the above to clarify the situation.

Recently, we find some folding bicycles which have the same appearance as our "STRiDA" series products in Bulgaria. After detailed investigation, we find that such fake bicycles are manufactured in China & the quality is poor which will even endanger personal safety. Therefore, we hope that you will not buy the fake "STRiDA" folding bicycles for your own good.

**WE MING CYCLE INDUSTRIAL CO., LTD. WHO IS THE "STRiDA" BRAND OWNER
HEREBY CONFIRM AND DECLARE SOFTMATIK LTD. IS OUR LEGAL REPRESENTATIVE
OF STRIDA FOLDING BICYCLE IN BULGARIA.**
